GENERAL INFORMATION

PRMS operates on 3 terms for reporting in December, March and June. Students will also rotate through Fine Arts and Applied Skills Explorations classes every 12 weeks. **School starts at 8:50 and ends at 3:05.**

Student Fees

Lock \$ 6

Lockers and Locks

Lockers are provided for the purpose of safeguarding a student's belongings and are assigned to students at the beginning of the school year. Students must use their assigned lockers. The changing of lockers or sharing of lockers is not permitted. The lockers are the property of the school and the locks may follow the students to their next school.

Any student found to be misusing locker privileges will lose their locker.

Sign In/Out Procedures

If you arrive late with a note from parent/guardian, please bring it to the front office for sign in and then give it to your teacher. Parents must phone or send a note if their child needs to leave school early or arrives late. Students are to sign out if they need to leave school early. It is important to follow this procedure so that the office can track students.

Student Phone Use (Phone by office)

The student phone located by the main office may be used before school, during nutrition break, lunch and after school. Students need to ask permission to use the phone. **(Students do not require a cell phone during school hours and must be kept in their locker between 8:50 am to 3:05 pm)**

Office hours

The office is open from 7:30 am to 4:00 pm. Students have access to the school at 8:15 am and at that time are permitted to their lockers and the breakfast club.

Closed Campus

PRMS is a closed campus. This means that all students must stay on school grounds from the time they arrive at school in the morning until the time they are dismissed with the exception of lunch. It is the administrations expectation that parents allowing their children to leave at lunch will complete the annual lunch permission form. **Students are not permitted go to McDonald's without direct supervision from a parent or guardian.**

This also means that we are not allowing visitors/parents in the building unless they have checked and signed in at the office and received a visitor pass.

Lunch-Time Procedures

Students that are staying in the school at lunch are required to eat in the designated area for their grade group each day for approximately 20 minutes. **Students who do not behave while eating lunch will be expected to eat off campus.** All students are requested to be outside during "fair weather days" unless they are involved in some type of supervised lunchtime activity.

Assemblies

We will be scheduling regular assemblies throughout the year for information, student recognition and for various social responsibility topics, as well as offering assemblies for entertainment and cultural events. We highly value appropriate assembly conduct. A courteous audience shows its appreciation with applause and active listening skills.

Lost and Found

All personal items should be clearly marked. Students who have lost certain possessions should check the lost and found drawer at the office for smaller items, and the lost and found bin for clothing. Any item of value that is lost should be reported promptly to the office.

Cell Phones & Electrical Devices

Cell phones and electronic devices **are not to be used at school from 8:50 to 3:05 unless explicitly allowed by the classroom teacher.** All students will be required to complete a cell phone use contract. Unless permitted, students are not allowed to take pictures of others in the building. We encourage students to leave their personal electronic devices at home. However, if a student elects to bring electronics to school, it is to be turned OFF during the school day and it is the sole responsibility of the student should it go missing. The school is not responsible should a personal communication device or electronics go missing while at school. (It is very difficult to retrieve lost or stolen electronics and it is not the priority of the administration.)

Bicycles and Skateboards

Bicycles and skateboards brought to school are the responsibility of the owner. There is a designated area for locking up bicycles located near the front entrance and skateboards must be stored in lockers. While on school property, students are asked to be OFF their skateboard, longboard, bike, etc.

Textbooks

Books will be issued during class time from the book room. Students should cover their textbooks and put their name on them. This makes it easier to identify them if they get misplaced as well as protect them. **Students who lose or damage books will be charged the cost of replacement value.**

STUDENT RESPONSIBILITIES

Attendance & Punctuality

Regular attendance by students is essential for successful performance in school. Any time you know you are going to miss school please have a parent or guardian phone the office at 250-624-6757 and leave your name, grade and reason for being away.

Students are responsible for all missed work during absences. If a student has missed at least two days of school, a parent or guardian may call the office and request work from your teacher.

If a student is absent from school for family holidays or for other non-medical reasons, the school **may not** be able to make special arrangements for missed work and tests. Although the school cannot approve such absences, the student should talk to all teachers, well in advance, so they are made aware of the absence. The responsibility for the decision to take the students out of school rests with the parent or guardian.

Punctuality is a courtesy owed to teachers and fellow students. Students are expected to arrive on time to avoid disrupting others. Students are expected to remain in their classes until the teacher dismisses them. Students leaving early must sign in or out at the office. A note from a parent or guardian explaining the early dismissal or late arrival must be provided and submitted to the front office.

Homework

Homework is assigned by individual teachers as a way to support and reinforce student learning. Most teachers will require that the students record their homework.

Dress Code

Students and parents are expected to support a learning environment where attire is appropriate and not distracting to others. Articles of clothing which promote alcohol, drugs, inappropriate language or racial issues are not acceptable. Students wearing clothing which is too revealing including bare backs, bare midriffs, plunging necklines, or low riding pants will be asked to wear something more appropriate or be given something to wear. We request that students remove hats or the hood of hoodies in the gym, assemblies, at the Lester Center, when elders and guests are in attendance and when requested; as a matter of respectful behavior as well as safety concerns.

Hallway Behavior

Students are required to walk in a quiet and respectful manner when moving through the hallways. There is to be no running or horseplay. Students should walk on the right side of the hallway.

Public Displays of Affection

Students are reminded that Public Displays of Affection (PDAs) are not permitted at PRMS. Students are to recognize that as a public middle school, it is the responsibility of the school to ensure that all students are comfortable and not subject to witnessing anything that causes them to feel discomfort. Some examples of public displays of affection include, but are not limited to, hugging, kissing and holding hands.

Valuables

We encourage students to keep valuables locked in their lockers thereby minimizing the temptation for theft. DO NOT bring large sums of money to school and never leave money or valuables in the PE change rooms or in a desk. The school is not responsible for any lost or stolen items.

Care of Facilities and Equipment

Each member of the PRMS community has the responsibility of ensuring that our facilities are properly used and maintained. This includes both buildings and grounds, and the various pieces of equipment necessary to deliver educational services and to ensure student safety. In particular, playing with fire equipment or setting off unnecessary fire alarms is a serious offense and may result in suspension and/or criminal charges.

STUDENT SERVICES

Library:

All students are encouraged to use the library and its facilities throughout the school day for research and leisure reading. The library offers a variety of fiction, non-fiction, and reference materials at a wide range of reading levels.

When the library is open, or a teacher is available, students may sign out a maximum of 2 books at a time for a period of 1 week. Students will not be allowed to sign out any more books if they have any overdue books. Students are not to be in the library unsupervised.

Students who lose or damage books will be charged the replacement cost.

Computer Lab:

The lab is locked when not in use by classes. Students are not to use the computer lab unless they are under direct adult supervision.

Permission from a teacher without supervision in the room is not acceptable.

Counselling:

Counseling services are intended to help students develop and achieve personal, social and academic goals. Counselors may provide assistance in crisis situations, prevention, conflict resolution, support or strategy development and goal setting. They also support students with mental health issues: anxiety, depression anger management, etc. Counselors assist students by consulting and working with teachers, school administration, parents and community resources.

PRMS Counselors: Ms. Leighton

Students may fill in a counselling slip to request to see their counsellor and put it in to the mailbox in the counselling area. Drop-in counselling is for emergencies only. Parents, teachers and students can request counselling.

Indigenous Support Workers

Our Aboriginal Family Support Workers run an afterschool homework club. Watch for times and dates to use this fantastic opportunity to get help with school work. They also support with attendance and organization.

Indigenous Family Support Workers: Ms. Baker & Ms. Barton

Indigenous Resource Mentor: Havana Fisher

EXTRA - CURRICULAR OPPORTUNITIES

Athletics

Our athletic program consists of grade 6 & 7 teams and grade 8 teams. The grade 6 & 7 teams will play in an intramural league while the grade 8 teams will play in the North Coast zone.

The year is divided into 3 seasons:

- Fall- volleyball, cross - country
- Winter- basketball

Our grade 8 extra-curricular teams will charge an athletic fee at the start of the season. This is to help cover the costs of busing and referees. (These costs can be reduced if the team decides to do fundraising)

The number and type of extracurricular activities to run in a school year will depend on the available coaches and sponsors. **Please consider helping us with our extracurricular programs.**

INTERVENTIONS AND CONSEQUENCES

Range of Interventions and Consequences:

Regardless of the nature or location of the misconduct, or the staff member involved, the following is a range of interventions and consequences that will be used in Prince Rupert Middle School:

1. Verbal reminder to the student of expected, appropriate behaviors.
2. Student & teacher meeting. (Teacher clearly describes unacceptable behavior)
3. Teacher contacts parent or guardian if necessary.
4. Additional time for the student with the teacher. (Restitution/detention).
5. Referral to counseling, administration, and/or community support services
6. Serious or repeated offences are reported to the vice-principal or principal. Repeated Minors should have documented steps by teacher to resolve behavior issues.

Administration response may include steps 1-6 above. Serious or repeated offences will be consistent with school and district policy. Where students refuse to cooperate with staff directions and school expectations, as repeat offenders or through single incidents, parents will be involved and a suspension may result. As well, suspensions will be strongly considered and parents and police will be involved where chargeable offences occur (fighting, threatening, assault, willful damage, possession or use of weapons, theft, tampering with fire alarms, possession or influence of drugs or alcohol

Sequence of Consequences:

The range of responses is not necessarily sequential. This means that the point at which an intervention begins will vary with the severity of the incident, and that not all steps are necessary in all situations. For example, a teacher may simply confer with a student or may refer the matter to counseling or administration. Some issues, such as classroom misbehavior, may result in sequential elevation up the scale, depending on the student's response to teacher intervention. On the other hand, major infractions such as fighting, involvement with alcohol, etc. will be elevated directly to Step 6.

These behaviors can be managed by the classroom teacher or EA.

- Teasing and derogatory comments
- Inappropriate hallway behavior
- Swearing (not directed)
- Non-compliance
- Defacing school property
- Lateness
- Incomplete homework
- Disrupting the class
- Abuse of privileges
- Inappropriate use of personal electronic devices
- Inappropriate clothing

Majors

These behaviors should be immediately referred to the administration

- Fighting
- Outright defiance (to follow clear and reasonable directions)

- Repeated minor offences that have not stopped after teacher has tried steps 1-5.
